

CHINESE - (10 WEEKS)*

**Courses include 10 consecutive weekly classes (barring major holidays). Classes meet once a week for 2 hours at our location. The curriculum of our language program is built for groups of three or more students, who complete the material in ten weeks. With fewer students, the group class material is covered in full in less time -- namely, seven weeks for two students, and five weeks for private lessons.*

In a group class environment we teach Mandarin Chinese. For Cantonese, Wu, Hmong, Hakka or other languages of China, inquire about [private lessons](#) .
